

St. Louis Tip Toppers 2010 Officers and Chairpersons

PREZ SAYS

Greetings Everybody!

I hope you had a wonderful summer and you are getting ready for fall. Sadly, the baseball season is coming to an end. Right now the team in Red is winning the division. We will need to debate the World Series teams soon.

Welcome to the new people who have come to our meetings. We hope you join us more often. With the changing of the seasons it would be great if some of the lifetime members join us for a meeting or two..... We know you are out there. Stop by Growlers and join us.

Congratulations to Leigh and everybody in the club for the great recognition during our last meeting from Marfans. Keep up the good work supporting our club's charity.

See you soon.....

St Louis Tip Toppers are Presented Award from NMF

By Leigh Schuh

The St Louis Tip Toppers received an award at the September business meeting from the National Marfan Foundation. During the National Annual Conference held in July which took place in Houston, TX, the foundation honored those clubs and volunteers who have contributed efforts in fundraising and awareness during the past year. Carolyn Levering, President and CEO of the foundation, sent a nice letter to the St Louis Tip Toppers along with the award thanking us for our continued support. Marfan has been the national charity supported by (TCI) Tall Clubs International for many years. As the local club chairperson, for the past 10 years in fundraising efforts, I can tell you first hand that our club consistently performs in the top ten each year for TCI. Sometimes our club was able to contribute over \$1000.00 a year during those years we did fundraisers with Fair St Louis during the July 4th weekend. Our club has raised over \$7,635.00 during these last ten years for this wonderful organization. It goes without saying that our club members of the St Louis Tip Toppers are the best and very generous and have shown that they care through their continued support. Thanks to all who consistently attend meetings and put donations into the jar and for those who we see at the bigger events who support the Marfan auctions or drawings. Your efforts have made a difference and it's nice to see that the recognition is coming from the National Level. Kudos!
